NEW ARRIVALS

PAGE 3-5

Elevate your lighting with the **2323 profile**, an elegant, suspended lighting solution

Power up your lighting solutions with the **2340 profile**, engineered to connect flawlessly with 2323 profile

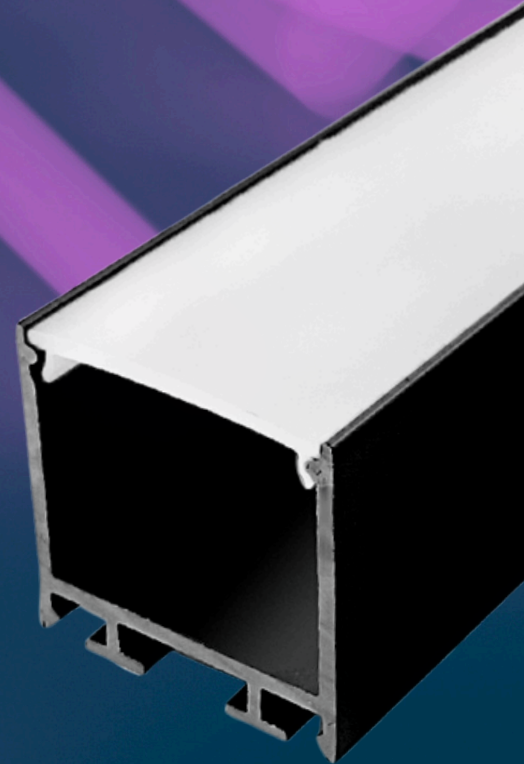

FINEST PRODUCTS

PAGE 5-17

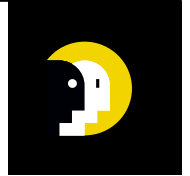

Discover our finest product lines: **Surface, Corner, Groove** profiles, which are expertly designed to meet your specific lighting needs

NEW ARRIVALS

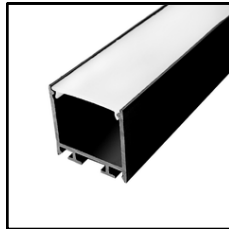

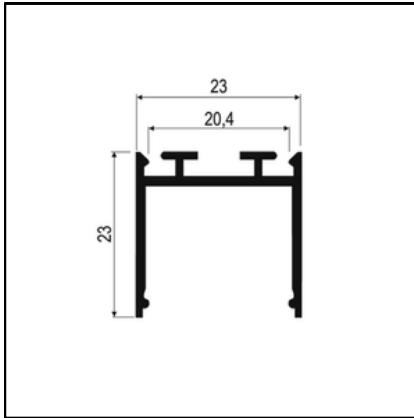

Introducing the **2323** and **2340** profiles. Elevate your lighting with the **2323** profile, crafted to house LEDs in a sleek, modern frame. Designed for versatility and style, it seamlessly integrates into any space, offering an elegant suspended lighting solution. Pair it with the **2340** profile for a complete system. The **2340** profile houses the power supply, ensuring a clean, streamlined look. Both profiles are available in **silver**, **black**, and **white** finishes.

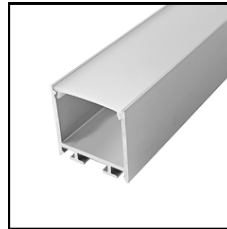

LED PROFILE 2323

Mount on a surface or suspend, alone or with the 2340 profile
